

**Action Team:**

**Goal:** Participate in the Ohio School Facilities Expedited Local Partnership Plan to establish a professional assessment of the current condition of our school buildings bases on OSFC construction guidelines. The Fairfield City School District will use the assessment to create a long range facilities plan for all buildings K-12.

**Rationale/Compelling Need:** Our buildings need to support/provide for optimal student learning in a safe and secure environment according to the most recent Ohio School Facilities Commission assessment.

**Benchmark:** Benchmarks will be established upon receipt of OSFC Assessment.

Actions/Strategies	Person(s) Responsible	Target and Time Frame	Costs, Resources, Technology Impacts	Evaluation Instruments and Processes	Communication Plan
Participate in OSFC Expedited Local Partnership Plan.	Rob Amodio Martha Roche	May- October 2006	There is no cost to FCSD for the OSFC Facility Assessment	OSFC Design and Construction Manual.	Beginning with the 2006-07 school year the Facilities Action Team will schedule and implement building tours to begin dialogue with community members on the current and future facility challenges FCSD is facing as defined by OSFC and district personnel.
