

REVENUES FROM TAX SOURCES

In an attempt to provide the best education possible within the financial resources available, the Board will:

1. request that voters approve adequate local funds for the operation of their District and determine the amount of the individual levies at the time of the initial request or at the time of a request for renewal to yield sufficient revenue for the operating expenses of the District;
2. accept available state funds to which the District is entitled by law or through regulations of the State Board of Education and
3. accept federal funds which are available, provided that there is a specific need for them and that the required matching funds are available.
