

STUDENT CONDUCT ON SCHOOL BUSES

The District furnishes transportation in compliance with state law. This fact does not relieve parents of students from the responsibility of supervision until such time as the student boards the bus in the morning and after the student leaves the bus at the end of the school day.

Once a student boards the bus, he/she becomes the responsibility of the school authorities. Such responsibility will end when the student is delivered to the regular bus stop at the close of the school day.

Students on a bus are under the authority of, and directly responsible to, the bus driver. The driver has the authority to enforce the established regulations for bus conduct. Disorderly conduct or refusal to submit to the authority of the driver will be sufficient reason for refusing transportation services or suspending transportation services to any student once proper due process procedures have been followed.

Regulations regarding conduct on school buses, as well as general information about the school transportation program, will be approved by the Board and made available to all parents and students.
