

LATCHKEY PROGRAMS

Recognizing the benefits to children from latchkey programs, both in safety and educational experiences, the Board will operate a latchkey program within the District.

The Superintendent shall be responsible for the development of any necessary rules for the program. Public input regarding the program shall be considered and will be sought when a program review is conducted.

Tuition and other fees shall be instituted as needed. Expenditures of funds and the provision of ancillary services shall be made in compliance with state law.

The philosophy of the District Latchkey Program is to provide a quality supervised and educational environment for the Fairfield elementary students K-6 in the extended day program.

The goal of the Latchkey Program is to provide experiences that will foster social, emotional, and intellectual growth.
