B-	2.7
C+	2.3

Students will not be penalized for taking elective courses that encourage exploration. Study halls will not factor either negatively or positively in a student's grade point average or class rank.

For Advanced Placement and Honors courses, an additional weight of 0.03 will be added on to the grade point average when credit is awarded, providing the student earns a "C-" or above in the AP or Honors course(s), with the exception of online courses.
