

STUDENT WITHDRAWAL FROM SCHOOL  
(Loss of Driving Privileges)

When the Superintendent of the District receives information that a student of compulsory school age has withdrawn from school, the Superintendent must, within two weeks after the withdrawal, notify the registrar of motor vehicles and the county juvenile judge of the student's withdrawal from full-time enrollment or withdrawal from an approved program to obtain an diploma or its equivalent.

Notification to the registrar of motor vehicles is not necessary if a student has withdrawn from school because of a change of residence; or the student is holding an age and schooling certificate (work permit), is regularly employed and enrolled part-time in and attending an approved program to obtain a diploma or its equivalent.

Notification to the registrar of motor vehicles must be given in a manner required by the registrar and notice to the county judge must be given in writing.

After receiving such information from the Superintendent, the registrar of motor vehicles is required to suspend the temporary instruction permit or driver's license of the student who is the subject of the notice. If a temporary permit or license has not been issued for that student, the registrar is prohibited from issuing a temporary permit or a license. Any denial of driving privileges would remain in effect until the student reaches 18 or until the denial of driving privileges is terminated for another reason allowable under the Ohio law.

In compliance with Ohio law, a student whose driving privileges have been denied can file a petition with the juvenile court in whose jurisdiction he/she resides.
