DESIGNATED EXTRACURRICULAR PROGRAMS**

Designated extracurricular programs are voluntary-participation groups which award no credit or grade for participation, are approved by the Board of Education, and follow all school policies and regulations. Each is recognized with a Board of Education-approved coach/advisor/sponsor who is required to provide a membership roster, collect fees, and take attendance at each calendared event. In addition, teams participate in interscholastic competitions and are OHSAA governed.

As additional activities and teams are established and approved by the Board of Education, they will be added to this list.
