

HOME VISITS

Home visits may be made by school personnel for authorized school-related duties. Those duties may include but are not limited to:

1. verifying residency;
2. encouraging school attendance;
3. obtaining parent/guardian required signatures;
4. sharing information about a child and the educational program when the parent is unable to attend a school conference or other function; and,
5. other reasons as may be part of an individual's job description(s) or authorized by a District administrator.

Home visits provide an opportunity for school personnel and parents/guardians to communicate and work together in the best interests of the student.
