

VISITORS TO THE SCHOOLS

The Board encourages parents and local citizens to visit the schools and, if during school hours, it is expected that visitors will comply with regulations established by the administration. Persons attending functions at the school shall be limited to those areas specifically designated for that function by the principal. Unauthorized persons are not to circulate in the school at anytime. The principal shall use whatever means are necessary to enforce this policy up to and including the use of peace officers of the law when all other reasonable means fail.

To ensure that no unauthorized persons enter buildings, all visitors to schools will report to the school office when entering, to receive authorization before visiting elsewhere in the building.
