

SOCIAL STUDIES

Students are scheduled into Accelerated, College Prep or General Social Studies based on their reading skills, previous social studies grades and teacher recommendation.

MODERN AMERICAN HISTORY

9 1 credit 2 semesters (full year) \$15.00

This course investigates America's involvement in world affairs since the 1877's. The course will cover various and important political, geographic, social and economic issues of this century. The course will also concentrate on developing and enriching social studies skills and knowledge required for successful completion of the Ohio Graduation Test.
