

# SUMMER SCHOOL INFORMATION FOR 2012

**Eligibility:** Residents of the Fairfield School District are given priority in registering for summer school.

**Dates and Attendance:** Advanced Credit Classes (physical education, health, and Pathways to Your Future) for grades 9-12 will be held Wednesday, May 30, through Tuesday, June 19, 2012. On-Line and Make-Up classes will be held Monday, June 4, through Friday, June 22, 2012. Students may not miss more than 4 hours of instruction during any course except for the On-Line summer school classes where a student may not miss more than 3 hours of class. This allows the school to comply with Ohio credit and attendance laws.

Dates for summer school are subject to change based upon the addition of calamity days, if needed, which would extend the school year for both the students and the staff.
