

# TEACHER ACADEMY

## **TEACHER ACADEMY I (Methods)**

11      2 credits      2 terms      \$20.00

**(Prerequisite: 3.0 GPA, 93 % attendance rate, Counselor or teacher recommendation.)**

Teacher Academy I is a full year methods class for **Juniors** who wish to pursue a teaching degree in college. This course focuses on the methods and theories of education by studying the history of schooling, the diverse needs of learners, the school environment, and the daily requirements of an educator at all levels of public education. Students are required to join **Future Educators of America**. This program is for a full year during one period every day.

## **TEACHER ACADEMY II (Field)**

12      2 credits      2 terms      \$20.00

**(Prerequisite: Successful completion of Teacher Academy I, 3.0 GPA, 93 % attendance rate, Counselor or teacher recommendation, transportation to and from teaching sites.)**

Teacher Academy II Field class is a **Senior** only course designed for students who wish to pursue a teaching degree in college. This is an honors level class and will receive a weighted grade. The focus of this course is the professionalism of education through field observations at area elementary, middle, and high schools. The capstone project for this class is a completed Praxis III portfolio. Students must provide their own transportation to all observations. Students are required to join the Future Educators Association. This program is for a full year, one period every day. The fee for this course is \$20.00.
