Fairfield's Youth Volleyball Camp is held in the FHS Arena which houses three air-conditioned volleyball courts. Bathrooms and drinking fountains are both located in the hallway just outside the Arena's lower entrance.

Session 1 is open to all girls (whether they attend Fairfield Schools or not) entering 8th or 9th grade.

Session 2 is open to all girls (whether they attend Fairfield Schools or not) entering 5th through 7th grade.

All Campers will receive excellent individual instruction from the GMC's 2011 Coach of the Year - Fairfield's Varsity Volleyball Head Coach Michael Berkemeier - his entire coaching staff, and his current varsity players.

Coach Berkemeier can be reached at anytime on his cell phone in case of emergency.

What to Expect...

All campers will learn the fundamentals of the game such as passing, setting, serving, and attacking. 8th and 9th Graders attending Session 1 will also work on team concepts such as various team defenses, offenses, blocking schemes, and serve receive patterns.

Campers will observe large group instruction in various individual skills; break into smaller groups to work on these individual skills; and as the week progresses there will even be more than one activity occurring at the same time in which we will use stations to give instruction. Each station will have a coach and at least one varsity player.

As instructors, our goal is to give your child as much individual attention as possible either in one-on-one instruction or in a group setting.

What do I need to Bring/Wear?

- First, you need to preregister by returning the completed registration form and payment by July 18th.
- Wear comfortable clothing (t-shirt, shorts, gym shoes)
