

CERTIFICATED STAFF TIME SCHEDULES

Administrators

The nature of the duties and responsibilities of administrators and supervisors will require their hours of work to vary and extend as necessary to fulfill the requirements of their positions. The work year for administrators will be established individually through their contracts.

Teachers

The work day time schedule for teachers shall be established by the Board. Teachers shall be in their classrooms at a time established by the administration which shall be prior to the time set for school to be in session and they shall remain in school for a period of time established by the administration after the dismissal of their students.

The work year for teachers will be established by the Board's adoption of the school calendar.
