

CLASSIFIED STAFF POSITIONS

Education is a cooperative enterprise in which all employees of the District must participate intelligently and effectively for the benefit of the students. This District will employ classified staff in positions which function to support the educational program. All such positions will be established initially by the Board. For each new position, the Assistant Superintendent will develop a job description for approval by the Board and the Civil Service Commission.

Although positions may remain temporarily unfilled, or the number of persons holding the same type of position may be reduced in event of required staff reduction, only the Board will abolish a position which it has created.

The Assistant Superintendent will keep all job descriptions current and present recommended changes to the Board and Civil Service Commission for approval.
