

SCHOOL BOARD CONFERENCES, CONVENTIONS AND WORKSHOPS

In keeping with the need for continuing in-service training and development for its members, the Board encourages the participation of all members at appropriate school Board conferences, workshops and conventions; however, in order to control both the investment of time and funds necessary to implement this policy, the Board establishes these principles and procedures for its guidance:

1. A calendar of Board conferences, conventions and workshops will be maintained by the Board Treasurer. The Board will periodically decide which meetings appear to be most promising in terms of producing direct and indirect benefits to the District.
2. Funds for participation at such meetings will be appropriated on an annual basis. When funds are limited, the Board will designate which of its members will participate in a given meeting.
3. Reimbursement to Board members for their travel expenses will be in accordance with the Board's travel expense policy.
4. When a conference, convention or workshop is not attended by the full Board, those who do participate will be requested to share information, recommendations and materials.
