

## SCHOOL BOARD LEGISLATIVE PROGRAM

The Board recognizes the importance of sound and constructive state legislation in establishing support for public education. It is therefore directly concerned with legislative proposals affecting education.

The Board's legislative liaison member will report to the Board on state legislative proposals and will communicate the Board's positions and/or the Ohio School Boards Association's positions to state representatives and senators.

The legislative liaison member will also keep the Board informed of pertinent federal legislative proposals and, when necessary, communicate the Board's position to representatives and senators at the national level.
