

PURCHASING AUTHORITY

The Board's authority for the purchase of materials, equipment, supplies and services is extended to the District administration as part of the budget-making process and approved by the Board through its adoption of the annual appropriations resolution.

In an effort to bring about the smooth and efficient operation of the school system, the Board will pass, at its first meeting of the school fiscal year, specific authorizations for the procurement of supplies, equipment and services for the fiscal year and for the disposal of obsolete equipment and materials.
