

FACILITIES PLANNING

Forecasting Patterns

It shall be the responsibility of the Superintendent in cooperation with the administrative team to furnish enrollment information necessary for the determination of facility needs.

Evaluation of Existing Buildings

The Board shall establish a program for the evaluation of existing buildings to provide the basis for meaningful immediate and long-range plans. The program shall include:

1. evaluation of the condition of existing facilities;
2. evaluation of the need for new or expanded facilities;
3. establishment of individual site improvement needs;
4. evaluation of the facilities as it relates to the needs of the community and
5. evaluation of physical facilities with respect to efficient and desirable use and placement.
