

RECRUITERS IN THE SCHOOLS

All recruiters, military, employment and educational, are treated uniformly in the conduct of on-campus student recruitment. Scheduling of recruiting visits to the District is announced to the student body in advance. Recruiters are afforded the opportunity to conduct meetings during the school day with those students who are interested.

All group meetings are scheduled through the principal's office. Classroom teachers who schedule recruiters as a career awareness activity should coordinate these activities through the principal's office.

In order to maintain the privacy of its students, the Board will release student directory information in accordance with its policy JO.

Names and addresses of students in grades 10 through 12 must be released to a recruiting officer of the armed forces unless a parent or student (aged 18 or older) submits a written request not to release the information.
