

COOPERATIVE EDUCATIONAL PROGRAMS

State law permits the establishment of joint vocational districts to provide vocational programs for students from participating districts. The District participates in programs conducted under the auspices of the Butler County Joint Vocational School District.

The joint vocational school district is governed by a board of education composed of representatives from the boards of education of the participating districts. The term of office for each member of the joint vocational district board of education is for two years. The participating boards' representatives will be appointed by a majority vote of those particular boards.

The Board also participates in various programs of the Butler County Board of Education which assists this District in providing special services to the students enrolled in our schools.
