Wednesday, November 30th, 2016

6:00 – 7:00 pm

MEETING IN THE HIGH SCHOOL COMMUNITY ROOM

The cost of college has out-paced inflation by more than double for over three decades, prompting parents to ask... **HOW ARE WE GOING TO PAY FOR THIS?!** Our goal is to educate you about the paying-for-college process, so you can build a successful college solution for your children without going broke. This applies to **ALL** families, whether or not you will qualify for need-base aid. You will walk away with an understanding of:

- The Financial Aid Process
- Strategies to Maximize Financial Aid
- Sticker Price vs. Net Price
- The Importance of Choosing the Right School
- Types of Loan Options Available
- How to Develop a Plan to Minimize the Overall Cost of College
