

Committee: Family Ownership

Goal: To have cohesive & consistent standards and practices of communication between families and all entities and individuals of the school district by June 2010. Measurement to be determined once baseline has been established.

Rationale/Compelling Need: To empower families to take intrinsic ownership in the education of their children resulting in increased student success.

BENCHMARK 1

Actions Steps	Person(s) Responsible	Target and Time Frame	Costs, Resources, Technology Impacts	Evaluation Instruments and Processes	Benchmark	Communication Plan
