C. Items for Board Discussion

1. Book Study – Board of Education and District Office Leadership Team

The Board Members and Administrators discussed the book titled, “Switch – How to Change Things When Change Is Hard” by Chip Heath and Dan Heath. Tonight’s discussion was over pages 101-176. Next discussion will be on April 10, 2025 over pages 179-264, Chapters 8-11.

2. Restructure of the Treasurer’s Department – Amy Lee and Jason Hussel

Ms. Lee spoke regarding hiring an Assistant Treasurer to take on some of the day to day work that the Treasurer does currently.

Mr. Hussel said he has done a comparison with other Butler County schools and all have an Assistant Treasurer position.

Mr. Napier said he had three questions - who would be in charge of hiring for this position – the Board or Administration? Ms. Lee stated that this position would report to the Treasurer so the Administration would do the interviews and hiring. His second question was would it be possible for Jay Phillips to be able to sit in on interviews? Ms. Lee stated absolutely. His last question was would this new hire be able to start early to shadow Ms. Lee and Mr. Phillips as they are training. Ms. Lee said that this was the goal.

Mr. Begley asked Ms. Lee to explain what an Assistant Treasurer does. Ms. Lee’s response was that the Assistant Treasurer would be the Treasurer’s right hand by doing bank reconciliations, approving purchase orders, budget transfers and grant administration – just to name a few.

Mr. Clark commented that Mr. Hussel said most Butler County schools have an Assistant Treasurer. Mr. Hussel commented that Butler Tech, Hamilton City Schools, Lakota Schools and Middletown Schools all have an Assistant Treasurer.

Mr. Hussel stated that a posting will go out and that Mr. Phillips, Ms. Lee, Mr. Smith and himself will be involved in the hiring process.

This was an open discussion and will be on the agenda for board approval at the next meeting.

Mr. Perry wanted to give an update on the process of building use procedures. He stated he wanted to be comparable with other districts and adding a few items including the ability to charge for parking. He is hoping to have this before the Board for approval within a month.
