BOARD MEMBER COMMENTS

Mrs. O’Neal

She felt the meeting was wonderful. Verbalizing the information was helpful.

Mr. Begley

He thought the meeting was great. He likes having conversations at meetings and making sure that the public understands why we do some things.

Mrs. Shorter

She thought the meeting was wonderful as well. She feels that it is good to have more discussion on items in public to show that the Board is not just “rubber stamping” everything.

Mrs. Gundrum

She thanked Ms. Morgan for being here tonight. She does feel that the Board has good discussions in public.

Mr. Berding

He learned about when an agenda item becomes “official”. The program was very informative.
