When Ms. Gladish took over, there were approximately four hundred students in the multiple handicap units, social communication or autism units and intellectual disability units from every building in the district. The fishing trip includes music, puppet shows, face painting, giant connect four, bean bag toss, cornhole games, bubble station, sidewalk chalk, Touch A Truck with Fairfield Fire Department and Police Department, Cincinnati Reds mascots, Joe Nuxhall Miracle League mascot - Joey and a petting zoo with baby animals. A picnic lunch is provided by the Optimist Club, seniors bring in baked goods for dessert and the Flubs Truck hands out ice cream cones to all. Everything is donated by vendors or funded through donations. This year's fishing trip is scheduled for Tuesday, April 30th, 10:00 a.m. – 1:00 p.m. at the Optimist Club on Joe Nuxhall Way. Ms. Crawley also gave an update on the SLIFE Program which began at the Freshman School at the beginning of the school year. The program started with seven students and currently there are sixteen enrolled. There is one teacher and one EL tutor working in the program. Mrs. Aug also went over some slides which included information stating there are currently one thousand six hundred and seventy-one EL students in the buildings, the average increase in the past five years is 10.37%, Fairfield City School District is ranked tenth in the state for EL population. Mrs. Aug said according to the West Ed Cost Study Report that was put out December, 2022, the student to teacher ratio is 25 to 1. Currently, we receive over \$730,000 from the state for the EL program. Mrs. Aug shared her proposal to hire one additional TESOL Endorsed teacher at the high school, this was not in the forecast. She stated we are trying to educate our community on the need for providing an education for these students.

Mr. Clark commented that the facts are being shared and we care about the students and families in the EL program.
