BOARD MEMBER COMMENTS

Mr. Berding

He is excited about the new school year and feels that the Opening Day Meeting started the year off well. He mentioned the cheers from Central Elementary staff when the new building pictures were shown at the meeting. He cited the new stadium, the new building construction as well as the health center as some of the anticipated changes for the school year.

He looks forward to witnessing student participation in music, band, sports and choral groups, among other events. After 25 years of parenting students in the district, this is his first year without a student of his own in attendance.

He commented on why the district chose to spend the money on the stadium at this time, when some wonder why the money was not used on bussing. The stadium was renovated based on safety concerns. The district wanted to prevent any injuries and create a safe environment. He hopes that the public understands that the Board acted in the best interest of the district.

Mrs. Shorter

She welcomed everyone back to a new school year. She congratulated Donna Kimmel for her Teacher of the Year Award and Nancy Addler for her Support Staff Member of the Year Award. She felt they did a great job on their speeches.

BOARD MEMBER COMMENTS (continued)

Mr. Hare

He stated that it is a pleasure to welcome everyone back to a new school year. He commended Mrs. Kimmel and Mrs. Addler on their speeches. He enjoys the personal characteristics that the staff bring to their positions in the district.

He reiterated that safety was the most important issue in the decision to renovate the stadium.

He mentioned that he is working with Mr. Weiser to resolve a bus stop issue.

He invited staff to participate in the HeartChase to earn money for research and to enjoy the event. He mentioned that there are many energetic district staff involved in wellness promotion.

Mr. Begley

He echoed the comments made about the Opening Day Meeting.

He had the opportunity to assist Intermediate students who were not sure where their first class was located as they entered the building earlier in the day. It was gratifying to him to be able to help and he wished the students a great year.

Mr. Kearns

He echoed the comments about the Opening Day Meeting kickoff to the new school year.

He congratulated Mrs. Kimmel and Mrs. Addler.

He too looks forward to the new initiatives in the district including the stadium renovation, the health center and the building projects.

He welcomed everyone back and wished everyone a good year.
