The Board had the following comments for Golden Apple Award Winners:

Mr. Begley admitted to being the “rookie” on the Board and experienced his first Golden Apple Award Ceremony tonight. He had thought that the awards were granted to teachers only and was glad to see that educational assistants, custodians, secretaries and other support staff are also honored. He is glad that the district recognizes the importance and value of everyone and that staff work together as a team. He congratulated all of the Golden Apple Award recipients.

Mrs. Shorter admitted that she looks forward to this meeting each year to honor staff that are indicative of excellence in our district. The staff honored are the bright spots in our district and she is proud of all of them.

Mr. Berding stated that the Golden Apple Award winners are inspiring both to the Board and to other employees. The award honors their efforts and compassion which make our district a better one.

Mr. Kearns congratulated the Golden Apple recipients and stated that this is a meeting that he looks forward to also. He thanked them for all that they do for the community and for the students. For him, it is an honor to witness the awards.
